## Campbellford Memorial Hospital Welcomes Two New Board Members

**August 4<sup>th</sup>, 2024** – Campbellford Memorial Hospital (CMH) is excited to announce the addition of two new directors to our Board, Greg Clarke and Deanna Baker. Their extensive experience and passion for community service will be invaluable assets to our Board of Directors.

Greg Clarke brings 35 years of diverse experience in social services, including front-line work, regulatory roles, management, and board positions. Passionate about community service, Greg has recently semi-retired and still works in a part-time virtual role with the Scarborough Academic Family Health Team, collaborating closely with family doctors, nurse practitioners, and other allied health professionals. Greg is a registered Social Service Worker, a Certified Canadian Addiction Counsellor, and holds a degree in Adult Education from Brock University.

Deanna Baker brings over 22 years of experience in financial services and has held various positions with the Royal Bank of Canada, including Branch Manager of the Brighton RBC and Relationship Manager of Business Markets. Deanna has also served as a Director with the Brighton/Cramahé Chamber of Commerce and has been involved in numerous fundraising efforts with the Campbellford Memorial Hospital Foundation. Deanna is also a current member of both the Trent Hills Physician Recruitment & Retention Committee and CMH's Retention Committee.

CMH Board Chair, Carrie Hayward, expressed enthusiasm about the new appointments: "We are thrilled to welcome Greg and Deanna to our Board. Their unique backgrounds and dedication to community service align perfectly with our mission to provide exceptional care to our community. We look forward to the contributions they will bring to our team."
