

MEDIA RELEASE

For Immediate Release – January 7, 2021 – An overnight crack of the cold-water supply means that Campbellford Memorial Hospital (CMH) will be without water for approximately four hours beginning around lunch time on January 7, 2021.

The crack occurred under the doctor parking lot outside the East Wing of the Hospital next to Campbellford Memorial Multicare Lodge. A repair crew is currently on-site from Lindsay to assist CMH maintenance staff with the repair.

The Municipality of Trent Hills is on stand-by to assist with water pump out. Further updates will be provided throughout the day should a delay in repair take place.
