

16th Annual Angels of Care Campaign is the Best Ever!

~ CMH Foundation thanks the Community for supporting the purchase of **Everyday Essentials** ~

For Immediate Release, March 2, 2023

TRENT HILLS — The Campbellford Memorial Hospital (CMH) Foundation's **16th Annual Angels of Care Campaign** has been a record-breaking success raising over **\$533,000** for the purchase of new equipment.

"We would like to say a big **thank you** to the donors whose generosity has made our **Angels of Care Campaign** the best ever," says Martha Hunt, Chair, CMH Foundation, adding: "The success of the Campaign shows just how much the community loves their Hospital and understands the importance of keeping it well-equipped. We are truly grateful".

Funds raised during the **Angels of Care Campaign** will go toward the purchase of **Everyday Essentials** for CMH, including beds, stretchers, vital signs monitors, Lab equipment and the Clinical Information System.

Much of the success of the campaign is due to the return of **The Matchmakers**, who united to match all gifts made between November 1st and December 15th up to \$150,000. With **The Matchmakers** support, \$300,000 was raised for the hospital during that period. Special thanks to our generous **Matchmakers**, Bruce and Betsy Thompson, Joanne Simpkin, Calvin Newman, Whitley Newman Insurance, MacLaren Pharmacy, the Estate of Marlies Freiberg and three anonymous donors.

More than 42,000 area residents are treated annually at CMH. This includes patients requiring a stay in the In-Patient Unit, a diagnostic test such as an x-ray, have lab work done or a visit to the Emergency Department. If it wasn't for the financial support from the community many of these critical services and the required medical equipment would not be available. The Provincial Government does not provide funds for the purchase of new equipment. That responsibility is in the hands of our generous donor community.
