Campbellford Memorial Hospital Welcomes Carrie Hayward as New Board Chair

June 15th, 2023 – Campbellford Memorial Hospital (CMH) is delighted to announce the appointment of Carrie Hayward as our new Board Chair following our Annual General Meeting (AGM) held on June 14th.

Carrie has been an invaluable member of our board since 2021, demonstrating her dedication and expertise through her involvement in our Redevelopment Committee as well as serving as chair of the Resource/Audit Committee this past year.

With a wealth of experience in the public sector, Carrie has held various Director positions at the Ministry of Health, and, more recently, served as an Assistant Deputy Minister in the Regional Operations Division for the Ministry of Natural Resources & Forestry. Her diverse expertise will definitely be a tremendous asset to our organization.

As Carrie steps into her new role as Board Chair, we are confident that her vision, dedication, and strategic acumen will lead CMH to even greater heights. Her commitment to making a positive impact on the community aligns perfectly with our mission, and we look forward to the progress we will make under her leadership.

Please join us in extending a warm welcome to Carrie Hayward as she embarks on this exciting new chapter as Board Chair of Campbellford Memorial Hospital.
