Campbellford Memorial Hospital Welcomes New Hospitalist – Dr. Ghias Butt to Join CMH Team in January, 2016

Campbellford residents will now benefit from the caring expertise of Dr. Ghias Butt, pictured here, who joined the medical team at Campbellford Memorial Hospital (CMH) as its weekend Hospitalist effective January 22, 2016.

Dr. Butt brings to this role extensive international experience, having served in a variety of hospitals in general internal medicine and nephrology in Pakistan, the USA and the United Kingdom. Since 2009, Dr. Butt has been practicing as a Lead Consultant Physician (Internist) and Medical Director at Bilal Hospital in Rawalpindi, Pakistan. This is the city's largest private hospital, supporting 110 beds. Dr. Butt is looking forward to bringing his broad experience to the patients at CMH.

"I will strive to serve the community to the best of my abilities and hope to provide specialist services needed for the community in Campbellford." Dr. Butt noted.

"On behalf of the CMH team, I am pleased to welcome Dr. Butt to our team of medical professionals. We are always striving for excellence, continuously improving and staying on top of the latest best practices and clinical protocols. Over the past 5 years, CMH and its team of health care providers have been consistently recognized for a commitment to excellence in health care. Dr. Butt's experience and expertise will complement the existing exceptional level of care our patients have come to expect at CMH," says Brad Hilker, President and CEO, CMH.
