

# MEDIA RELEASE

*For Immediate Release- Tuesday March 17, 2020*

## Notice to Community #3:

### News:

As the COVID-19 situation continues to evolve, Campbellford Memorial Hospital will be implementing further measures beyond limiting entry to only through the Emergency Department entrance.

Effective Tuesday March 17<sup>th</sup>, 2020; CMH will be closing Ambulatory Clinics, cancelling scopes and minor surgical procedures in the Operating Room, and re-scheduling non-urgent diagnostic imaging procedures for the next 3-weeks. These measures will be evaluated on March 30<sup>th</sup> to determine whether the cancellations will continue beyond Monday April 6, 2020.

### Update - Visitors:

**Effective Wednesday March 18, 2020 visiting for patients will be limited only to patients on compassionate grounds.**

**Visiting hours will remain from 11:00-2:00 and 6:00-8:00 p.m. for visitors meeting this new criteria.**

Thank you for your patience

**Varouj Eskedjian, President & CEO**
